2019-2023

IMPACT IN THE HEALTH SECTOR

25 Medical Camps Arranged in Karachi and nearby Areas

Since 2019, we have arranged about 25 successful medical camps in Karachi and Sindh including Gadap Town, Jamshoro, Surjani Town and Jhangaro. Through the medical camps, our experienced doctors conduct a general check-up of the patients. We also

provide free of cost medicines and blood-sugar tests.

Helping a Child with Cerebral Palsy

A two-year old toddler, Tabassum, suffering from Cerebral Palsy was approached by the AWS team after our chairman Hakeem Syed Zohair Ahmed heard about her. She was constantly on the ICU bed. The team visited her at the Patel hospital and had a meeting with the parents. AWS provided a sufficient amount for her treatment.

Collaboration with Shed Foundation

We frequently send our patients to the SHED Foundation which provides low cost health facilities and treatment to the marginalized communities.

Monetary Support to Palestinians

In collaboration with the Al-Khidmat Foundation Pakistan, we are sending monetary support to our oppressed Palestinian brothers and sisters.

MAKING WAVES OF CHANGE:

Aiding Flood Affected Families

In the year 2022, catastrophic floods affected one-third of Pakistan's lands. In those challenging times, our team did not leave any stone unturned. We conducted about 8 flood relief activities and donated food, tents, mosquito nets, medicines, mineral water and clothes to the flood victims of Sindh and Balochistan.

HELPING THE COMMUNITY

Solving the Water Crises

To curb the water crises, AWS took a step to bore wells in the regions short of water supply, in Sindh and adjoining areas. We have successfully dug 54 wells till now and more are in the pipeline. Most of the wells exist next to the Mosques, Schools and *Madrassa* to ease the difficulties of worshippers and students.

Distribution of Baby Carriers

It is highly inconvenient to carry a baby in the arms while sitting on a bike or walking on a busy street. To make bike travel easier and safer for the family, our team distributed baby carriers with belt to parents who regularly travel on bikes in Karachi.

Provision of Loan and Zakat

We provide short-term loans and *Zakat* after examining each case thoroughly. These loans and *Zakat* funds are specific to the situation and need of the person approaching us.

Winter Essentials Distributed in Sindh and adjoining Areas

Survival without winter clothes is hard for slum dwellers. In 2020, our team came up with the idea of distributing winter quilts, jackets and sportswear to the people living in the interior Sindh and the suburbs of Karachi. Alhamdulillah for the past three years we have distributed more than 1500 winter essentials in more than 10 areas.

Iftar Camps in Karachi

During the month of Ramadan, our team sets up Iftar camps in several vicinities of Karachi on a regular basis. We feed up to 250 to 300 people per day.

Food and Ration Distribution

A continuous rise in inflation rate has made basic food consumption a difficult choice for the impoverished. We have supplied 35000 ration packages, each weighing 26 kg, to those residing in the slum areas of Karachi.

Helping Muslims in Turkey and Palestine

Following the tragic incident of 2023 Turkey Earthquakes, our chairman decided to join hands with the Bait-us-Salam Welfare Trust to provide monetary support to the earthquake victims of Turkey and the Muslim brothers of Palestine. We sent a total of Rs. 6 lakhs to the organization.

Masjid-e-Muqam-e-Mehmood Provides Free Marriage Venue

Our Masjid Muqam-e-Mehmood situated in Karachi, Pak Colony, has offered its venue for free to organize Nikah and wedding ceremony of those in need. Free food is also served to all the guests attending the ceremony. Our chairman, Mr. Syed Zohair Ahmed, always encourages to make marriages easier and simpler for families so that it does not become a burden for anyone.

Deepening Connections with the Old-Aged Homeless Elderly

Our chairman Mr. Hakeem Syed Zohair Ahmed pays frequent visits to the old age homes in Karachi with his team. He personally presents gifts to the residents of the old age homes and spends quality time with them, which adds a smile to their gloomy faces. AWS has been regularly in touch with many old age homes in Karachi namely Anmol Zindagi, Al-Zaeef, and Gills Shelter Home since the beginning.

Supporting Marriages

We support families which cannot afford to meet the basic expenses of holding a wedding ceremony. We have reached out to 50+ families and provided adequate cash to meet the marriage related expenses easily. We also financed the wedding ceremonies of 25 Muslim couples who converted to Islam recently in the province of Sindh.

125 Legal Cases Resolved

In collaboration with the Muhammad Ali Abbas Legal Aid, we provided legal and financial support to 125 people who could not afford the services of a lawyer or faced difficulty in carrying out a legal proceeding in any court come to us for help. Our services are specifically in the areas of Civil and Criminal Law.

Donation of Bicycles to Students

Twenty-Four students of Faiz-e-Mushtaq Education Foundation won bicycles on the completion of a 40-day Salah challenge. The students who prayed five times daily prayers for 40 days in congregation in the masjid won the challenge and were given an award by our chairman Mr. Hakeem Syed Zohair Ahmed.

Enabling Free Education through Scholarships

We have been providing funds to our educational institute, Faiz-e-Mushtaq Education Foundation in Karachi, in the form of need-based scholarships and Zakat funds. We have provided zakat funds to more than 400 students in the past five years.

Presented with "The Social Impact" award in the Corporate Social Responsibility Summit 2020
